## **VANDAVEER ANNOUNCES US TOUR DATES**

### **IN SUPPORT OF NEW ALBUM, *DIVIDE & CONQUER***

**Vandaveer** announces US tour dates for November 2009 supporting the new album, *Divide & Conquer* released through **Supply and Demand Music** on **August 25, 2009**.

Hailing from Washington DC, Vandaveer is the alt-folk project put forth by **Mark Charles Heidinger** and is accompanied by **Rose Guerin** on vocals. You may recognize Heidinger's name as he is a part-time member of **These United Sates**.

After releasing *Divide & Conquer*, Vandaveer toured the east coast and midwest and is just returning from Europe, which included dates with **Joseph Arthur** in France.

Vandaveer "revives the earnestness of the pre-psychedelic 60's," according to the **Washington Post** and **XM Cafe** describing him as "this generation's Nick Drake." The new album has received praises from **Paste**, **Filter**, **Readymade**, **Blurt**, **AOL/Spinner**, **Popmatters**, **Large Hearted Boy**, **My Old Kentucky Blog**, **Prefix**, **You Ain't No Picasso**, regional papers and local Washington, DC press.
